

**City of Bowling Green, Missouri
Permit To Operate A
Non-Commercial Kennel
Per Section 210.100 City Code**

A permit is herewith issued to the undersigned resident to operate a non-commercial kennel in accordance with Section 210.100 of the Bowling Green City Code as long as all laws, regulations, ordinances and directives of the Animal Control Officer of the City of Bowling Green are fully complied with and observed. This permit is not transferable to any other person and automatically expires one (1) year from the date hereof. This permit is not renewable and a new application and permit must be obtained from year to year.

The undersigned resident herewith accepts this permit subject to all the conditions provided in said ordinance and agrees such permit is void should any commercial use or act be associated with such activity. This permit shall be valid for the non-commercial keeping of more than three (3) animals over the age of three (3) months.
