

## **March is Tornado and Severe Weather Awareness Month**

Storm Season: **Most** tornados occur between March and September, but they can strike at any time, day or night. Wherever you go, be aware of where you might take shelter. Stay tuned to your **TV and/or radio station (KJFM eagle 1025.1)** for information.

**Remember, watch means watch the sky. Warning means take cover!**

### **Storm Shelters Located in Bowling Green**

- Bowling Green High School Gym. You must enter the gym from the parking lot located off Adams Street.
- First Presbyterian Church Fellowship Hall-205 W Centennial
- Bowling Green Fire Department-W Church Street (Next to City Hall)
- Church of the Nazarene-807 South Court St

**Note:** Church of the Nazarene is the **only** shelter available for use prior to the arrival of potentially dangerous storm or tornado in the event persons have no safe shelter such as a mobile home.

**All** other emergency shelters are for the use in the aftermath of a damaging storm.

State wide tornado drills will be conducted during the month of March. Please watch your local newspapers for date and time.
